

INSPIRING CHANGE AND POSITIVE CHOICE

Double Impact is a registered charity and not for profit organisation, established in 1998.

Our Mission is to provide a quality service, which promotes recovery and community integration for people who have experienced problematic drug and alcohol use, or gambling. This is achieved by providing opportunities for personal development, recovery orientation, healthy choices, education, vocational training, and pathways to volunteering and employment.

By placing our service users' needs at the heart of our ethos and their own recovery journey, we provide a uniquely holistic, flexible service. We believe that with the right support everybody can recover and that in recovery anything is possible.
